

OWN THE ADVENTURE

In today's fast-paced, digital-centric society, it's easy to lose track of what matters most—family, friends and fun.

Enter TAHOE®, a family of runabouts and deck boats crafted to help you cut through the noise and escape to a world filled with zero distractions.

Instead, turn your phone into a camera and music source first and foremost. Turn your focus to feeling the wind on your face at full cruising speed. Take the time to teach your kids how to stay on a wakeboard. Show off the biggest cannonball splash ever. And relax away the worries from the week before.

Whatever you do, you and your entire crew are in for an adventure—well, many, MANY adventures. Because every TAHOE has been carefully crafted to provide excellent performance, comfort, style and convenience for years upon years to come.

Browse ahead and find the adventure that's waiting for you!

MEET OUR FAMILY

Johnny Morris founded Bass Pro Shops® in 1972 to provide anglers a one-stop shop filled with great deals on the gear they needed. In 1978, he brought that legacy to the boating industry with the BASS TRACKER®, the industry's first boat, engine and trailer package. From there, he continued adding quality boat brands, including TAHOE® in 1998, bringing quality, value, style and outdoor excellence to families.

Today, Bass Pro Shops is recognized as the world's premier outdoor retailer, and WHITE RIVER MARINE GROUP® (WRMG)—our parent company—is the world's largest boat builder by volume. In addition to TAHOE, WRMG crafts a range of fishing and recreation boats in America's Heartland.

Want to see your new TAHOE in person? You'll find our sport boats at hundreds of quality dealers around the world, including more than 130 Bass Pro Shops/Cabela's® Boating Centers™ and hundreds of independent dealers across North America.

Many of those dealerships, including every Boating Center, have a service center with factory-trained and -certified technicians, so you're assured a full-service center near your home to keep you on the water.

Every location also adheres to our NO HAGGLE NO HASSLE® pricing policy where every model is priced at after-negotiation levels that are consistent across all mediums. This also means you'll find the same great prices at our dealerships as you will in our brochures, ads and tahoeboats.com. Whenever and wherever you shop, you're getting the industry's best value in sport boats—without even having to try!

STYLE WITH SUBSTANCE

The TAHOE® team goes through a significant researching, planning and designing process to ensure every sport boat meets the highest standards of style, quality, performance and durability.

Our in-house design team uses state-of-the-art digital tools to map out every step of the process and design the model to exact specifications. CAD illustrations and 3D-printed scale models result in production parts that come together just right, producing excellent fit-and-finish in the final product.

With the T16, we took this step further by 3D-printing the entire hull plug (the part used to create the mold), which helped us cut out a number of steps, ultimately producing a high-quality boat for less.

We also employ Lean Six Sigma methodologies—the same principles followed by global leaders in the automobile, aerospace, appliance and medical equipment industries—to streamline our processes and reduce waste (physical and temporal). Ultimately, it all helps us increase quality while lowering costs.

At the end, we factory rig every model with a Mercury® or MerCruiser® engine to optimize performance.

The result is a lineup of boats ready to escort you and yours through years of exciting escapes.

Concept model shown

QUALITY CRAFTED

Eye-catching lines. Mirror-like gelcoat finishes. Comfortable seating. The attention to detail TAHOE® designers put into the hull and deck is pretty easy to see. What's not so obvious is how the team creates each boat to be as strong and long-lasting as possible.

Beneath the deep, spacious (1) deck is a (2) structural liner that runs the full length and width of the (3) hull, providing support to high-stress points. Like the hull exterior and deck top-side, the liner has a smooth gelcoat finish to create sleek, easy-to-clean compartments.

Our craftspeople chemically bond the liner to the hull and deck—they also mechanically fasten the deck to the hull—to form a one-piece structure. They also inject expanding flotation foam into the liner, which improves flotation while reducing sound and vibrations underway.

Because at TAHOE, we believe style and substance both matter equally.

THE SMOOTH GELCOAT FINISH
CREATES SLEEK, EASY-TO-
CLEAN COMPARTMENTS.

1 DECK

2 STRUCTURAL LINER

3 HULL

We bond the deck, liner and hull to form a one-piece structure for maximum strength.

Perfectly prepared molds and careful gelcoat application create a mirrorlike shine.

WE HAVE YOU COVERED

We back the quality craftsmanship of our boats with a great warranty to give you even more peace of mind. We warrant the hull, interior stringers and transom from material and workmanship defects for five years, and we cover components for one year. Plus, we are certified under the Mercury Marine Installation Quality Certification Program, which means sterndrive buyers get a two-year limited engine warranty from Mercury Marine!

TRUSTED PERFORMANCE

Every TAHOE® model is a sport boat first and foremost, so you expect it to perform as such.

No worries there!

We factory rig every boat with a Mercury® outboard or MerCruiser® sterndrive engine, depending on the model. Both types pair perfectly with the POWERGLIDE® hull that's designed into every model.

This hull design features a (A) deep V at the bow to cut through the waves, and then a flatter section aft for better side-to-side stability and on-plane performance. It also incorporates full-length (B) HYDROSTEP® lifting strakes, as well as (C) reverse chines at the sides that bite into the water for tighter turns. The chines also direct water downward for a drier ride.

Exactly how a sport boat should perform!

POWERGLIDE HULL

- A Deep V hull
- B HYDROSTEP lifting strakes
- C Reverse chines

SPORT SERIES

The TAHOE® Sport Series focuses on giving you and your crew everything you need to relax, cruise and play away the day in style. From comfortable seating throughout to an aft ladder to plentiful storage, these six runabouts provide the features you're looking for to fill your day with fun in the sun.

T16
OUTBOARD

Want a stylish sport boat that you can tow behind your mid-sized vehicle? With a package weight of just 2,200 lbs., the T16 is light enough to tow behind most SUVs with a Class 2 or larger hitch.

The T16 provides fun-loving families a spacious interior loaded with features. For lounging, you'll find bow seating with a removable/reversible backrest (for facing forward while cruising or spotting for a wakeboarder aft), a full-width midship bench seat and a sundeck, all with plentiful, finished-gelcoat storage below.

YOUR OASIS AWAITS

SPORT
SERIES

450 TS
OUTBOARD

Somewhere on the water, you'll find a secluded spot—whether it be an island, hidden beach or just a tight inlet—devoid of any other humans. A spot that's perfect for you and yours to drop anchor and claim as your own. But, how do you get there? We're glad you asked!

The 450 TS has room for eight and enough finished storage for all their gear. More than just comfortable, though, there's a base for an optional ski tow pylon, a rockin' stereo system and more to help you get to and create your own personal oasis ANYWHERE.

STERNDRIVE

SPORT
SERIES

Simply put (even though they're the opposite of simple), the 550/500 TS both provide 19' 10" of space—plenty of room for you and seven others to load up and get away.

The biggest decision between these two runabouts is whether you want a Mercury® outboard (550) for more storage or a MerCruiser® sterndrive (500) for more swim deck space and a standard ski tow ring. Either way, your escape will be filled with comfort and fun, thanks to the plentiful and plush seating, telescoping boarding ladder, Bluetooth® stereo and abundant storage EVERYWHERE.

NIMBLE VERSATILITY

FISH
SERIES

450 TF
OUTBOARD

The 450 TF shows fun-loving families that the overall size of the boat isn't as important as the features the boat offers. It does so by providing everything needed to cruise, splash and cast away the day—all in a nimble package that's easy to tow behind your vehicle.

True to its sport boat lineage, the 450 TF offers fun-loving families nimble performance, sleek styling, plentiful storage and comfortable seating. But then, as a Fish Series runabout, it adds to the fun with fishing features like casting chairs (with fore and aft base locations), a Minn Kota® trolling motor and 10-gallon aerated livewell. So, your crew is set for whatever activities they want to pursue!

FISH
SERIES

550 TF
OUTBOARD

500 TF
STERNDRIVE

Fast-action watersports? Check. Cruising to nowhere in particular? Of course. Super-tsunami cannonballs? Heck, yeah. AND fishing? Without a doubt. Whether you want the outboard-powered 550 or sterndrive-driven 500, you'll enjoy the ability to do whatever on-the-water activity tickles your fancy—or just do them all!

Of course, the 550 and 500 TF models provide the performance you need for cruising and watersports, as well as the comfortable seating and at-rest stability needed for lounging in style. But then, both models add in a nice touch of versatility with standard features like a Minn Kota® trolling motor, aerated livewell, rod storage and removable fishing chairs (with storage bags and fore and aft base locations).

A. Removable fishing chairs w/storage bags B. Remote- or foot-control trolling motor C. Bluetooth® stereo

THE FAMILY FAVORITE

1950
OUTBOARD

DECK
SERIES

It will only take one outing for you and your crew to experience exactly why the 1950 is our best-selling TAHOE® overall. For one, it's large and provides a lot of interior space. It's powered by a Mercury® outboard for reliable acceleration, handling and overall performance. It's sleek and eye-catching. And it packs in a ton of great features at an excellent price.

Some of those features come in the form of comfortable seating throughout (10 can lounge comfortably) with gelcoated storage below. There's also a new Bluetooth® stereo, color-keyed Bimini top, fore and aft ladders, a ski pylon and refreshment center. Everything you need for fun!

YOUR NEW FAMILY ROOM

2150
OUTBOARD

DECK
SERIES

Forget the family room at home—the 2150 has everything you need to get outdoors and spend time together on the water! Whether that includes prepping a picnic for guests, letting the kids play in the “pool,” aka, the lake, or just lounging around and catching some rays. Just like home, except better!

The 2150 is a pure sport deck boat through and through. It rides on our POWERGLIDE® hull and features Mercury® outboard power for optimal watersports performance. Speaking of watersports, it has a removable ski tow pylon that has a designated behind-seat holder. It also provides huge amounts of interior space loaded with seating and storage. And it has fore and aft decks (with ladders) that are perfect for the perfect dive.

THE DECK BOAT THAT **FISHES**

DECK
SERIES

2150 CC
OUTBOARD

The 2150 CC is truly a multipurpose sport deck boat. For the anglers, the center-console design allows you to work a fish around the entire perimeter of the cockpit. For the family, the cockpit is extremely spacious. And for the watersports enthusiasts, the Mercury® outboard works in perfect tandem with the performance hull to produce great holeshots, handling and wakes.

Anglers will find 7' and 10' rod storage tubes, an aerated livewell and insulated fishboxes. On the other side of the fun, there's an in-floor compartment for wakeboards, a base for an optional pylon and fore and aft swim platforms, each with a ladder for reboarding after a swim.

2150cc

Shown in GRAY MIST with KIWI GREEN accents — See page 67 for complete color options.

OPEN FOR ADVENTURE

DECK
SERIES

215 Xi
STERNDRIVE

Maybe someone in your crew wants to fish, while another wants to tie on a tube for some faster fun. Another person wants to cruise full speed, while another just wants to find a quiet cove and relax.

The sterndrive-powered 215 Xi is truly a do-it-all deck boat designed specifically for larger crews looking to do a variety of activities in one trip. Want to fish? Two fishing chairs, rod holders and a livewell are ready and waiting. Looking for faster-paced fun? You'll appreciate the ski tow ring and POWERGLIDE® hull. Or, slow it down all the way and check out the plush lounge seating, Bimini top, refreshment center and more.

STANDARD FEATURES

Comfort, Convenience & Peace of Mind

- NMMA® certified
- EPA-compliant fuel system
- 9 drink holders
- 4 mooring cleats
- Passenger grab handles

Console

- Rotomolded console w/acrylic windscreen
- Multifunction speedometer/tachometer/fuel gauge/water pressure gauge
- Water-resistant toggle switches
- Storage trays
- Molded-in starboard footrest
- 12V outlet

Interior

- Non-skid fiberglass floor
- 29-oz. (.82 kg) expanded polyester-back marine-grade UV-resistant upholstery w/color-keyed accents & stain-resistant top coating
- Bow seating w/molded-in storage & reversible backrest for facing fore or aft while lounging
- Midship port flip-up cushion allows easy side entry w/out stepping on upholstery
- In-floor storage
- 3-across bench seat w/molded-in storage & flip-down seat back w/non-skid surface
- Aft sunpad w/flip-up cushions & storage below
- Hinged mid-cushion for aft sunpad & fold-down seat back allows easy entry w/out stepping on upholstery

Performance

- POWERGLIDE® hull design w/reverse chine & HYDROSTEP® strakes
- Factory-matched propeller

Construction & Exterior

- Hand-laid hull & stringer system for strength & durability
- Finished gelcoat full-length fiberglass foam-filled stringer system bonded to the hull
- Hull & deck chemically bonded & mechanically fastened
- Rub rail w/chrome molded insert
- Aft swim platforms w/4-step, telescoping boarding ladder

Electrical

- LED interior courtesy lights
- 500 GPH (1,892.71 LPH) bilge pump
- Navigation lights w/bow LED lights & removable stern light
- Interstate® cranking battery
- Water-resistant connectors on all pumps & navigation lights

Trailer

- Single-axle trailer w/GALVASHIELD® impact corrosion & chip protection
- 13" (33.02 cm) wheels w/radial tires
- Heavy-duty winch w/nylon strap & bow safety strap
- Outboard engine support to reduce hull & transom stress while towing
- 4 carpeted bunks
- Submersible LED lights
- Safety cables

OPTIONAL FEATURES

STANDARD FEATURES

Limited

- Sleek, low-profile tinted windshield
- Premium stereo w/3.5" (8.89 cm) Kicker® LCD display, 500W amp, 10" (25.40 cm) subwoofer, upgraded Kicker® speakers & dash- & aft-mounted remotes
- Soft-touch interior & swim platform flooring
- Tilt steering
- Trailer w/brakes on 1 axle, upgraded custom 14" (35.56 cm) aluminum wheels w/radial tires & spare tire carrier w/matching spare tire

Comfort, Convenience & Peace of Mind

- NMMA® certified
- Stainless steel ski tow ring
- 6 stainless steel pull-up mooring cleats
- Stainless steel passenger grab handles
- Conveniently located fire extinguisher port

Console

- Molded fiberglass port console w/small items tray & lockable storage compartment w/12V outlet & pass-thru pocket for wires
- Kicker® stereo w/Bluetooth®, MP3 & USB input & 4 speakers
- Molded fiberglass starboard console w/multifunction tachometer/trim, speedometer/fuel, engine temperature & oil pressure gauges
- NEW steering wheel
- Power steering
- Molded, hand-sewn brow on starboard console w/electronics connection points below
- Flush-mounted water-resistant switches w/integrated LED backlight
- Molded-in port & starboard footrests
- Port & starboard electronic device storage

Interior

- Anchor locker
- Bow lounge seating w/molded-in storage below
- Bow port & starboard backrests flip up to provide access to console storage
- Adjustable driver & passenger bucket seats w/slide, swivel & flip-up bolster
- In-floor wakeboard/ski storage compartment
- Cockpit side storage
- Aft L-lounge w/removable 36-qt. (34.07 L) cooler, molded-in 170-qt. (160.88 L) port storage compartment & 70-qt. (66.24 L) starboard lockable dry storage compartment
- Oversized aft padded sundeck w/adjustable folding lounge feature
- Step-thru transom

Performance

- POWERGLIDE® hull design w/reverse chines & HYDROSTEP® strakes

Construction & Exterior

- Hand-laid hull & stringer system for strength & durability
- Finished gelcoat full-length fiberglass foam-filled stringer system bonded to the hull
- Hull & deck chemically bonded & mechanically fastened
- Fiberglass engine cover w/storage compartment
- Full-width aft swim platform w/top-mounted, fold-down 4-step boarding ladder & integrated grabrail

Electrical

- 1,000 GPH (3,785 LPH) bilge pump w/automatic float switch
- Bilge blower
- LED interior courtesy lights
- LED compartment courtesy lights, including LED strip lighting in engine compartment
- Navigation lights w/LED bow lights & removable stern light
- Interstate® cranking battery
- 12V outlets at consoles

ACCESSORIZE YOUR ADVENTURES

TAHOE® boats are available with a variety of accessories to help enhance your outings.

Have some watersports enthusiasts in the crew? Optional ski tow pylons and wakeboard towers are available across the lineup. Want even more fishing features? We have fish packages and more. Or, want to protect your boat off the water? We have covers that are custom-fit to each model and professionally installed at the factory or dealership.

The list goes on and on and includes everything from soft-touch flooring to stereo upgrades and more.

All to help take your adventures to a whole new level of fun!

Optional flooring

Bow filler cushion

Flip-up bolster

Swim platform extension & soft-touch flooring

Fresh- or saltwater trolling motor

Fishfinder

Stereo upgrade

Speaker upgrade

Battery charger

Available accessories vary by model. See pages 60–66 for details.

READY TO TRAVEL

Unless you stow it in a slip, your TAHOE® boat will spend quite a bit of time on its trailer.

That's fine, because we build each trailer to perfectly fit the boat riding on it, whether it comes standard (Sport and Fish Series models) or is optional (Deck Series models).

Additionally, we build the trailers extra tough for years of use. With the exception of the optional EZ Loader® trailer for the 2150 CC, every trailer features our exclusive GALVASHIELD® Impact corrosion resistance—the pretreated steel tubing and long-lasting powdercoat paint will withstand corrosion and chips for a long time.

We also weld—not bolt—our trailer frames to create a unitized, heavy-duty structure.

It's quality we're confident enough in to back with an industry-leading three-year warranty against failure due to corrosion.

LET'S RIDE

3 CONVENIENT WAYS TO SHOP

IN STORES

Visit your local Bass Pro Shops®/Cabela's® Boating Center™ or independent dealership. Our sales consultants will guide you through the models, features, options and purchase process to get you on the water quickly and conveniently.

ON THE PHONE

Start your purchase from the comfort of home by calling White River Online Sales at **855.825.3515**. Our consultants will happily help you find your perfect boat and secure financing through our in-house White River Financial Services.

ONLINE

Visit TAHOEBOATS.COM to view detailed information about every model, such as photos, videos, specifications, engine options and pricing. You can also build a virtual copy of your boat to take to your dealership, or just start the purchase from the site!

Wherever you shop, our NO HAGGLE NO HASSLE® pricing assures you the best price—everywhere and any time. Through that, we set our prices at after-negotiation levels that are the same across all mediums and locations. It's never been easier to make your escape.

DEALER FREIGHT & PREP CHARGES

The prices in this brochure are listed "Plus freight & prep." Freight charges are the cost of shipping the boat from the factory to the dealer. TAHOE uses zoned freight rates that reflect the costs of shipping boats to each geographic area, or zone, in North America. Prep charges cover the costs the dealer incurs for labor and supplies necessary to complete a pre-delivery inspection and prepare the boat for delivery to the customer. Freight and prep charges are set by the factory and added to the price of boats shown in this brochure and on our websites, based on the dealer location selected by the customer.

ESCAPE WITH STYLE

When you make your escape, declare to the world that you're doing it in style with quality branded TAHOE gear.

From shirts (long and short sleeve to meet your every season's needs), drinkware, towels, hats and more, we have a full range of accessories and apparel for a range of needs.

Shop exclusively at gear.tahoeboats.com.

YOUR ADVENTURE AWAITS

Escape to a world with no to-do lists, no cell service and no wait lines. A world where adventure awaits around every bend. Where every moment is perfect, regardless the activity, because it's spent with those who matter most.

Escape to the adventure of your own choosing on a TAHOE® sport boat.

CONNECT WITH US

As you create your own adventures on your TAHOE, we just have one simple request—share them with us! Tag us in your photos or send them directly to us. Either way, we look forward to seeing your escapes and helping you share them with other TAHOE owners.
